Published by the Senior Class
GEORGETOWN HIGH SCHOOL
Georgetown, Massachusetts

DEDICATION

We, the class of 1968, dedicate our yearbook to a man whose interest and personal guidance has helped us through our years at Georgetown High School. Always ready and willing to listen to our thoughts and problems, his attitude has enabled us to freely discuss with him matters of international importance and those matters important only to ourselves.

Through the efforts of the Aerospace Club which he has sponsored, he has furthered the name of our school and offered invaluable experience to its students. When we were sophomores, his guidance brought our class through a difficult year.

For his dedicated teaching and his sincere interest in our futures, we dedicate the 1968 Georgian to MR. CHARLES H. DONNELLY.

— Francis Thompson

Happiness is knowing that throughout our lives we will have memories of the past to brighten our hours of solitude and to guide us into the future. The sadness associated with the passing of time will be changed into happiness as we view the images of our past joys presented in the 1968 Georgian.

On looking back we often find that the events of the past take on a new light and as we move forward let the happiness of those shadowy memories add to the enjoyment of present and future times.

IN MEMORIAM

CHARLES A. STORMONT
May 4, 1951 – November 29, 1967

For what is it to die but to stand naked in
the wind and to melt in the sun?

And what is it to cease breathing, but to
free the breath from its restless tides, that it
may rise and expand and see God unemcum-
bered?

Only when you drink from the river of
silence shall you indeed sing.

They invented an astonishing array of gimmicks designed to boost school spirit and saw the results of their enterprises as large numbers turned out to attend the games. The good morale of both team and students encouraged the efforts of the cheering squad and provided the best possible reward.

BASKETBALL

"When basketball first started in Georgetown we had small teams due to class sizes, but now the classes are becoming bigger, so better teams are in the making," Coach Collamore predicts optimistically.

Although our 4-12 record was disappointing, the good sportsmanship and teamwork displayed by the boys made it a worthwhile season.

THE PHYSICAL EDUCATION PROGRAM

Recognizing the need to develop the body as well as the mind, Georgetown High School has provided for an extensive physical education program. Through the efforts of Mr. James Collamore and Miss Pamela Simpson, it has become possible for the student to enjoy not only their regularly scheduled classes in the gym but also intramurals and competition with other schools. The department continues to promote good sportsmanship and a healthy sense of competition. As recent construction adds more area to the gymnasium, we can look forward to increased activities in the field of physical education.

EXIT THE BODY

Two New York socialites rent a colonial home in the country, expecting a peaceful vacation but are immediately beset by a series of extraordinary events, including several "dead" bodies, the meddling of a nosy real-estate woman, and a chaotic search for stolen jewels. Suspicion falls on almost everyone — even the "Zane Grey sheriff" — until the ringleader is identified as the officious real-estate agent, and peace is restored.

Some added suspense was introduced at the play's matinee, when a snowstorm threatened to curtail the production, but the show did go on and both Thursday and Friday night performances brought large attendances.
